

Position Vacant

Location Mayo Private
Position Physiotherapist – Part Time

Description

With growth and expansion of services on the horizon, the opportunity exists for an experienced Physiotherapist. Located on the beautiful Mid North Coast of NSW, Mayo Private Hospital in Taree is a 79 bed private hospital that services the Manning Valley. The allied health department has a multidisciplinary team working across Medical, Surgical, Rehabilitation and Mental Health wards. In addition the Mayo Private Hospital runs a busy Day Only Rehabilitation program and an allied health private practice – Physiotherapy Network which offers outpatient services to the community.

The position is predominately working within the Day Only Rehabilitation program with a small outpatient caseload. You will be part of a multidisciplinary team, including physiotherapists, exercise physiologists, occupational therapists, dietitians and a social worker. The role is part-time (32 hours per week) with the prospect of becoming full-time with future growth in the hospital. New Graduates are encouraged to apply. Professional development is encouraged with regular inservices and financial assistance for courses. Salary and conditions are in accordance with the Healthcare (NSW Private Hospitals) Health Professionals and Support Services Enterprise Agreement.

Both hospitals are part of the Health Care group of hospitals, one of the largest private hospital Networks in Australia. We want to attract the best, the brightest and the most passionate people to our Hotel Services department. Our goal is to become an employer of choice in the region offering our employees a working culture based on respect, empowerment and best clinical practice. We offer a supportive environment and are committed to our employee's ongoing education and professional development.
