WINGHAM ROAD UPGRADE Asphalt Afternoon / Nightworks

Eire Construction will be completing Asphalt works for the project from February 13th to March 2nd, and again March 13th to 23rd, working Monday to Thursday nights.

Typically, all works should be completed between 5:30pm and 4:00am.

During this time roads will be open to traffic but reduced to one lane. If vehicles are parked on the roadway the afternoon prior to works, we will knock at surrounding properties and ask cars to be moved.

Efforts will be made to limit noise and disruption, and we thank you for your patience as works conclude on the project.
