

Dr Zuo Li

Dr. Zuo Li is a highly skilled and experienced general medicine physician and nephrologist at Manning Base Hospital. With a passion for providing the highest quality of care to his patients.

Dr. Li completed his basic physician training at Hunter New England Health, where he gained extensive experience in diagnosing and treating a wide range of medical conditions. Following this, he undertook advanced training in Sydney, where he further developed his skills and knowledge in his areas of specialty.

With his broad range of medical expertise and commitment to providing personalised, compassionate care to his patients, Dr. Li is dedicated to ensuring that all of his patients receive the highest level of care and attention. He works closely with his patients to develop individualised treatment plans that are tailored to their unique needs and circumstances, and he is committed to staying up-to-date with the latest advances in medical research and technology.

Dr. Li has developed a reputation for his exceptional knowledge and expertise in a range of medical areas;

- hypertension
- Chronic kidney disease
- Obstetric medicine
- Renal bone disease.
